TERMS OF PARTICIPATION

Article 1: SYSKEVASIA 2012 is the 13th International Exhibition of Packaging, Machines, Printings & Storage, which will include this time a Special Presentation for "Tomorrow's Super Market".

Article 2: The Organizer of the above exhibition is Petros C. Petropoulos & SIA EE-3EK Organization of Exhibitions called from now on "Organizer".

Article 3: The Exhibition will take place at MEC-Mediterranean Exhibition Center, in Athens – Greece from 9-12 November.

Article 4: The frequency, the place, the dates and opening hours of the Exhibition are decided each time by the Organizers and are stated in their official leaflets and website.

Article 5: Exhibitors of the Exhibition of 2012 may be the following groups: a) Greek and foreign physical or legal persons who run business in Industry, Commerce, Research and Services related to the Exhibition, b) Greek or foreign representatives of Domestic and Foreign Firms of products related to the Exhibition, c) State or Semi-State organizations, businesses of the Civil Service, Scientific Departments or Associations, State and cooperative businesses related to the Exhibition, d) Publishing firms related to the subject of the Exhibition.

Article 6: The selection of the stands is made by the Exhibitors on a long-term cooperation and time priority basis, and under the stipulations that they are obliged to accept the technical or construction specifications defined by the Organizers and described in their official leaflets and website.

Article 7: The participation in the Exhibition is accepted after the co-signing of the Application of Participation with the applicable VAT included and the advance payment of 50% which is mentioned in the application form. The price per sq. mtr is all inclusive of corresponding supplies and services and is fixed by the Organizers. No credit is acceptable and every bill should be paid before the Exhibition and in the way, which it is written in the Application of Participation or in the other documents and website of the Exhibition.

Article 8: The Organizers for reasons they are not obliged to explain, decide upon the acceptance or not of the Exhibitors Application for participation.

Article 9: The permission to exhibit may not be transferred or resold. The Exhibitors may not without the Organizers' prior consent sublet the whole or part of their location nor may they exhibit goods or materials other than those which they produce or export or represent of for which they hold the exclusive concessionary right.

Article 10: No one is allowed to exhibit under the name of a production / manufacturing company without their written approval.

Article 11: When you take acceptance of your agreed upon space at site, you will be charged 20% more for any requested change such as assembling or dismantling of structure, spot lights or carpet, etc.

Article 12: If for any reason whatsoever the Exhibitor does not show up in the fixed dates (latest by 14:00 a.m. of 8/11/2012) to take delivery of his assigned stand, the Organizers can dispose of it to other clients, and he is not released of his obligation to pay the full rent.

Article 13: All the electrical installations and supplies in the Exhibition public areas and the shell scheme stands are done by the Exhibition Center Electricians. The Exhibitors are responsible for their own machines or only space stand installations (the exhibitors own electricians must submit copy of their license).

Article 14: The Exhibitors are not allowed to cover fire extinguishers, gate valves, emergency exits, to hang any article, banners, etc. from the roof and the hall construction elements or the services networks, to bore and nail the floor, columns, roof or other element, the covering of the walls of the peripheral hallways, to work and use tools, machinery and materials which could cause damages in the exhibition centre, such as the use of paint compressors or cutting of glass, plaster panels or structural materials in public use places, halls, etc.

Article 15: The Exhibitors are not allowed to create galleries in public use places as well as constructions in points that alter the aesthetics or functionality of the neighbouring stands and Exhibition generally. The height of the stands in the points adjacent to other stands must not be over 2.5 meters. No two-story stands are allowed. For special stand constructions, it is necessary to submit an engineers certificate, guaranteeing the construction's safety.

Article 16: The Exhibition Halls will be guarded during the operation of the Exhibition on a 24-hour basis by a private Security company, and the entrances and exits of the Exhibition will be locked after closing hours of the Exhibition.

Article 17: For the preventive protection of the Exhibitions, the Exhibitors and the Visitors the following are forbidden: a) all open fire sides, the use of inflammable or other explosion or fire causing materials as well as the function of machines of internal combustion in the internal MEC spaces. For the construction it is obligatory to use slow-combustion materials, b) the exhibitors of delicate animal and fresh products and, c) the demonstration of machines and apparatus without fire extinguishers or protective coverings or safeties.

Article 18: The retail sale of exhibits is not allowed during the exhibition with the exemption of books and publications relevant to the subject of the exhibition.

Article 19: All Exhibitors ought to use only the inside of their stand defined in the Application of Participation and they are not allowed to place exhibits/decoration materials or distribute advertising leaflets in hallways, etc.

Article 20: Machines operation for exhibition purposes is allowed under the following circumstances: 1) The outer side of the machine is at least one meter away from the visitors hallway, 2) By the rule, the duration of the machines exhibition operation will not surpass the 20 minutes, 3) The number of such demonstrations will not surpass the 3/day from Monday to Friday and 6/day for the weekend, 4) The Exhibitor should send to the Organizer at least 15 days before the opening of the exhibition a copy with the precise electrological specifications and drawing with point of electrical supply cable and 5) in case of gas and odour release the Exhibitor is obliged to place a ventilation network.

Article 21: The sound volume of videos and music and chemical odours in the individual stands should be kept low so that they don't bother the visitors or the other neighbouring Exhibitors.

Article 22: The use of only electrical air compressors is allowed, not of internal combustion.

Article 23: No verbal agreement with the participants is valid for the Organizers unless it is confirmed in writing.

Article 24: No complaint or claim against the Organizers is accepted unless it is written and submitted to their address within two (2) weeks from the last day of the Exhibition.

Article 25: Only for technical or operational reasons the Organizers can change the Exhibitors' assigned stands informing them ahead of time.

Article 26: The Application of Participation is binding and irrevocable. In case of a request for canceling of the participation, the participant pays as penalty fee not only the deposit but also all the balance of the amount due except if he cancels in writing up to 2,5 months before the Exhibition in which case only the advance of 50% is kept by the Organizers.

Article 27: If for any reasons of force majeure (earthquake, flood, destruction, etc.), war, or terrorist action, either the exhibition takes place with new prices and at a place and dates chosen by the Organizers or it will be cancelled, where the Organizers will be allocating to the Exhibitors the deposits according to each ones' square meters and the expenses already done.

Article 28: The Organizers are not liable and the agreed participation cost is valid in case the Exhibition is influenced by road transport blockades due to extreme weather conditions.

Article 29: In case of a strike at MEC, new dates are announced in the same or in other place with deposits been valid.

Article 30: There is no change of the dates of the Exhibition if National Elections will be announced in time less than six (6) months before the fixed opening day of the Exhibition, unless it is requested by the 3/4ths of the exhibitors and there is an exhibition centre available.

Article 31: All Exhibitors agree and accept the above Terms of Participation as well as the instructions written in the other leaflets and our website and documents of the Organizers.
